CARERS SERVICES

Do you look after someone who is ill, frail or disabled?

Carers should receive adequate support, but many do not access services as they do not see themselves as a carer.

If you are an unpaid carer and living in Cumbria, please contact South Lakeland Carers on 01539 815970 or visit www.slcarers.org.uk. South Lakeland Carers are a fantastic charity providing a range of services to support and enhance the lives of unpaid carers of all ages throughout South Lakeland. PARK VIEW FUNDRAISING

Members of our admin team took part in this years Moonlight walk in aid of St Johns Hospice. We raised over £170 so thank you to all who donated.

We are taking part in this years National Christmas Jumper day in aid of Save the children. You can donate by texting TEAM98113 to 70050. Texts cost £2. Thank you!

Do you think you have a urine infection? No need to make a GP appointment, just bring a urine sample in to the surgery before 12 (the earlier the better). Our nurse will check the sample and if it shows signs of infection we will get a prescription to you later that day. You can collect sample bottles from reception; please remember to put your details on the bottle and complete the form. **We can't accept samples if the form isn't completed properly or if samples aren't in the right bottle (no jam jars please!)** If you have repeated symptoms/infections, please make a GP appointment to discuss.
